International Women's Day activities

This international Women's Day, the students of 4th year got to do a fun activity with the auxiliar of conversation.

First, they did a wordsearch where they learnt different occupational vocabulary. They learnt different jobs that the women in our world do.

After that they wrote about an important woman in their life. For example, their mum, grandmother, sister or aunt. Next, they wrote about different activities they did with this important woman during the pandemic. Many of them cleaned, cooked, played games, listened to music and watched the tv a lot!

Write about an important woman in your life

I am going to tell you about an important
woman. My mum's name is Yolanda
She is a House wife.

Here we can see a student talking about their mum who is a house wife!

Saint Patrick’s Day Activities

This year we were very lucky that our auxiliar was from Ireland because we were able to celebrate it loads.

All of the children dressed in green and orange and there were loads of fun activities going on around the school.

As we can see in the following pictures the students of 3 years, 5 years, and 1st class made Irish flags. The Irish flag is green, white and orange. This activity was very fun, and the students were able to bring the flags home to show their parents and tell them what they learnt about Saint Patrick’s Day.

Rachel also gave a presentation on how Saint Patrick’s Day is celebrated in Ireland.

Saint Patrick’s Day Video

The students of 4th, 5th and 6th class made a video explaining everything that they learnt about Saint Patrick’s Day. What they wear, what they do, the meaning of the shamrock and what a leprechaun is.

It was a very fun video to make, and the students really enjoyed it. At the end of the video, we can see all of the different activities done in the school.
