November

This November Rachel (our auxiliar of conversation) started working with our second-year class students. They were very excited to finally get the chance to work with her as the students had only just seen her in the halls.

Like with our first-year students she started off the month by showing them the presentation that she made about herself and then she went around to each student in the classroom and asked them "what is your name", "how old are you?" and "what is your favourite colour?"

The students were able to ask what her favourite colour is and if she had any pets and their names!

Halloween

First of all, we can see some activities that were done for Halloween in Ramon’s physical education class!

They cut out and made spiders and were able to decorate them whichever way they liked! Some went for the classic black spider whereas others decided to colour theirs in differently like in green and orange!

Happy Halloween!! – 31st October 2020

eTwinning – Sharing our languages and culture

Wick CE Primary School, Bristol, United Kingdom

We are very happy and proud of the relationship that we have with the Wick Primary school in Bristol. It allows our children of 3rd, 4th, 5th and 6th year to have a pen pal from a different country and to learn about their language and their culture

This month we replied to the previous letters that we got from the school in Bristol last month.

Some of the students drew some beautiful Halloween pictures and wished their pen pals a late happy Halloween! As well as that they were able to tell them what their favourite school subjects are!

Coordinadora: Amparo Herrador

They also got the chance to talk about what they like to do in their free time and also who their favourite singer is. Most of the students love language classes and physical education. One Direction seems to be a loved band amongst the girls in our school.

International Children's Day

International children's day is celebrated on the 20th of November every year. This day is to inform the students and the general society about the rights that children in our world are entitled to.

This year our auxiliar Rachel made a video featuring students from 2nd and 3rd year. Each student had to say that rights they have which are as followed:

- I have the right to a family
- I have the right to a home
- I have the right to education
- I have the right to food and water
- I have the right to be healthy
- I have the right to have fun
- I have the right to love
- I have the right to have friends
- I have the right to be heard

The video can be found on the Gloria Fuertes website:

<http://www.ceipgloriafuertes.es/index.php/esta-pasando/252-noviembre-2020>

This video also showed some of the exercises the students did to learn vocabulary and celebrate international children's day.

Coordinadora: Amparo Herrador

The students were able to colour a picture of children standing around the world holding hands. They coloured in the children of different races and nationalities because all of the children in our world are equal and deserve to have the same rights

They coloured in the sea of the world blue and the land green. They were able to colour the boys and girls how they wanted!

Curso 2020-2021 Auxiliar: Rachel Munnelly McCormick

Coordinadora: Amparo Herrador

As well as colouring in the pictures the students were also able to do a word search to practise vocabulary learnt from the video that they watched. Some of the words that they were able to find were 'Children', 'Education', 'Food', 'Friends', 'Fun', 'Health', 'Love', 'Needs' and 'right'.

STOP VIOLENCE AGAINST WOMEN

25th November 2020

This year on the 25th of November we decided that we wanted to do an activity that all of the students could get involved in. We decided that we wanted to make a poster, and, on the poster, there are six speech bubbles, one for every year in the school.

We then went to each class and asked them “what are the women in your life like” and each student told us some great things about the women in their life. For example, “my mum is beautiful”, “my grandmother is strong”, “my sister is funny” and “my teacher is clever”.

Stop Violence Against Women Video

5th and 6th year

The students of 5th and 6th year made a video for the day of stopping violence against women. The gender violence coordinator, Cristina, chose a story called “Artsy Boys and Smelly Girls” by Elise Gravel for the boys and girls to read. The story is about how girls and boys are equal and they share the same qualities.

The students in our school work together without gender stereotypes to have a better future and to make the world better.

This story also goes alongside the hard work that the students have been doing in their English class as they have been learning adjectives to describe the looks and personalities of both boys and girls.

The video can be found on the Gloria Fuertes website:

Thanksgiving

26th November 2020

This year for thanksgiving the students of 4th year alongside their teacher Ana Belén made a video where each student got the opportunity to express what they were grateful for.

The children are thankful for their family, their friends, their school, their classmates, their pet, their teachers and most of all they are thankful for the life that they have!
