Welcoming the new conversation auxiliary

This month we welcome the new conversation auxiliary from Ireland, who is here to assist the teachers in English classes and also create more awareness about her own culture among the children. Her name is Sinead. It has been more than two weeks now and children started to learn and share with her. She is assisting teachers with the English language whenever needed and also helping children with their doubts.

The San Anton Marathon

The Festival of San Antón and the International Urban Race Night of San Antón is a festivity that takes place in Jaén (Andalusia, Spain), the night of January 16 to 17, on the eve of the San Antón festivity. It is a Festival of National Tourist Interest since 2019.

The school celebrated the traditional San Anton Marathon of Jaen. Children of all classes were to do a Marathon in the school ground. The school followed strict Covid regulation rules in order to make sure that everyone is safe while enjoying the yearly activity.

Children also brought with them popcorns which is another traditional snack of this day. They were happy sharing and continuing the tradition of Jaen.

Peace day

The International school day of non-violence and peace is celebrated on the anniversary of the death of Mahatma Gandhi (India- 1969- 1948), a leader who defended and promoted non-violence and peaceful resistance against injustice and he was assassinated on this day by Nathuram Godse. The day is celebrated on 30th of January. This day is a memoir to be peaceful and choose non-violence whenever possible.

In the school Gloria Fuertes, we teach children non-violence, peace and respecting each other. We took the advantage of the day and decided to inculcate these principals by teaching children about the day and the Nobel Peace Prize winners in India.

They understood the history of the winners and why they won the prize. Some of the people who won the Nobel peace prize were-

1. Kailash Satyarthi
2. Dalai Lama
3. Mother Teresa

Later we asked children to do an activity of word search and finally a Mandala art representing peace.
