FEBRUARY

Happy February from Gloria Fuertes!

This month our students participated in so many fun activities! At the end of January, 3rd and 4th grade went on a field trip to the Theater. They saw Romeo and Juliet on stage – a very funny rendition in English and Spanish. Teacher Sydney helped to prepare them for the play by reviewing the story of Romeo and Juliet with them and completing a worksheet about the play together the week before.

Valentine's Day

Reflection of the week:

"You know you're in love when you can't fall asleep because reality is finally better than your dreams."

-Dr. Seuss (Famous American Author)

Reflexión de la semana:

"Sabes que estás enamorado cuando no puedes quedarte dormido porque la realidad es finalmente mejor que tus sueños."

-Dr. Seuss (Famous American Author)

Valentine's Day at Gloria Fuertes!

We celebrated Valentine's Day in many ways here at Gloria Fuertes this year. First, the students received lovely Valentine's Day letters from their friends in England, as part of the E-Twinning project. The students also sent their own letters back to England that they decorated for Valentine's Day!

In kindergarten, students made a craft with heart-shaped lollipops by gluing paper hearts on them and writing "Happy Valentine's Day!"

In first grade, students cut out and colored hearts to make a "Happy Valentine's Day" craft!

Valentine's Day Activities

Teacher Sydney gave Valentine's Day presentations to all the classes with plenty of fun themed activities to do in every class! In the upper classes, students had a tricky word search, and the students learned the Valentine's vocabulary from the presentation. In the lower classes, students had an activity where they had to find and color certain Valentine's symbols, and learned all the vocabulary to go along with it. Teacher Sydney brought some typical Valentine's cards from the United States, and students passed them around the class to see the different English phrases used for Valentine's Day. Teacher Sydney also taught students a typical Valentine's Day poem, which students had a lot of fun learning to recite and decorating their own!

Valentine's Day Activities

Valentine's Day

Students in 3rd grade have been participating in a letter exchange with another local school called the Almadén school. They were very excited to receive their Valentine's Day letters back from their friends at Almadén!
