Martin Luther King Jr.

Dr. Martin Luther King Jr. was an American activist and leader in the civil rights movement in the 1950s and 1960s. He was born in Atlanta, Georgia, in 1929. At the time, segregation—or the separation of races in places like schools, buses, and restaurants—was the law. He dedicated his life to achieving equality and justice for Americans of all colors. King believed that peaceful refusal to obey unjust law was the best way to bring change and led many non-violent protests. He is considered one of the greatest speakers in U.S. history and gave his “I Have a Dream” speech in 1963, which is considered one of the greatest speeches in American history. He never backed down in his stand against racism, and he was awarded the Nobel Peace Prize for his activism in 1964. He was killed on April 4, 1968, but his legacy lives on today.

International School Day of Non-Violence and Peace

The International School Day of Non-Violence and Peace is a day dedicated to education in and for harmony, tolerance, solidarity, respect for human rights, non-violence, and peace. On January 30 every year, on the anniversary of the death of Mahatma Gandhi, many schools all over the world celebrate this day.

This week, Teacher Sydney gave a presentation about Martin Luther King Jr. for the students to learn about an American figure who fought for peace, and won the Nobel Peace Prize. This was the student's first time learning about Martin Luther King Jr. and the history of segregation. Teacher Sydney read them a short book about Martin Luther King Jr's life, and they learned about his famous "I Have a Dream" speech.

La Carrera de San Antón – The San Antón Marathon

To celebrate the San Antón Marathon, Gloria Fuertes held a school-wide race on the Monday after the Marathon, which is always on a Saturday. Each grade got to race outside. In line with tradition, the students brought lots of popcorn to share as well! The students and the teachers had lots of fun celebrating the San Antón Marathon here at school.
