E-Twinning Valentine's Day Letters!

The students sent lovely Valentine's Day letters to their friends in England, as part of the E-Twinning project. They decorated a letter with a nice message and a heart for Valentine's Day!

"It matters not who you love, where you love, why you love, when you love or how you love, it matters only that you love."

No importa a quién amas, dónde amas, por qué amas, cuándo amas o cómo amas, solo importa que ames."

Valentine's Day Activities

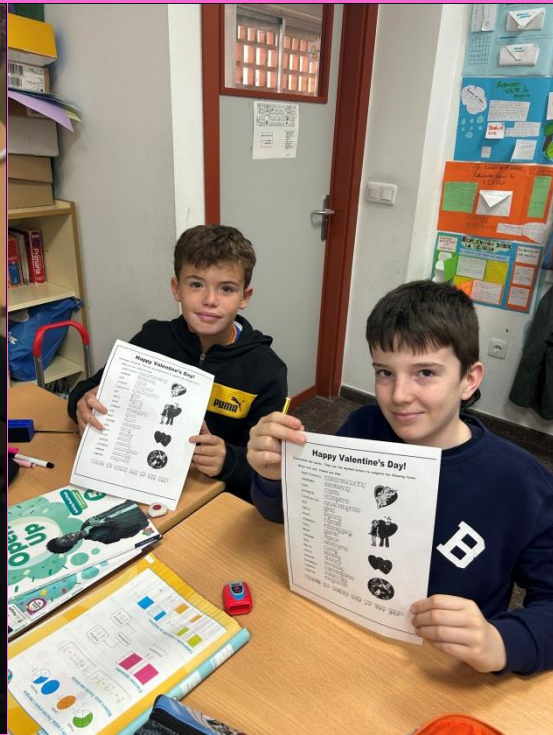

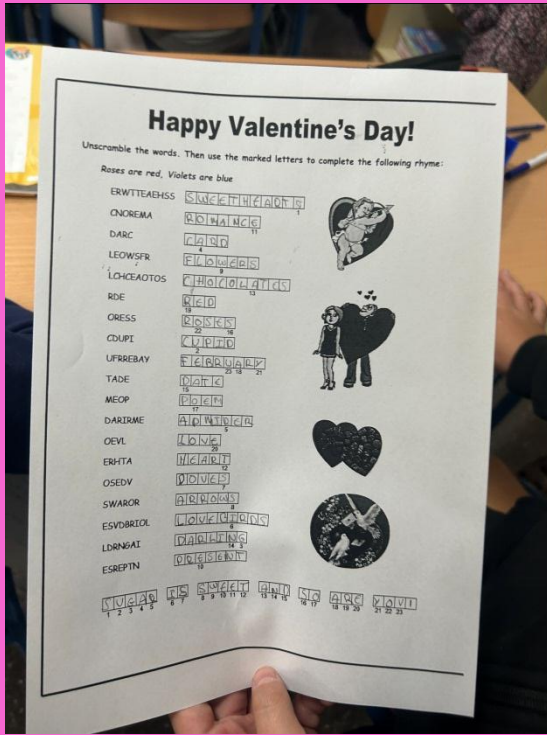

Teacher Brittany gave a Valentine's Day presentation to all the classes! She had plenty of fun themed activities to do in every class! In the upper classes, students had a tricky word scramble, and the students learned some Valentine's vocabulary from the presentation. In the lower classes, students had an activity where they had to color a Valentine's Day picture while practicing their colors in English. Teacher Brittany also taught students a typical Valentine's Day poem, which the students wrote in a special Valentine's Day card to give to their friend or family!
