Spring has sprung at Gloria Fuertes!

This month Gloria Fuertes students participated in so many fun activities! We did many activities to celebrate St. Patrick's Day and Easter.

We also had a visit from two teachers from the Czech Republic who are a part of the Erasmus program at the IES "Jabalruz" because they wanted to learn more about teaching in Spain. The students of 2B did a great job of welcoming them to their school. Two of the students even greeted them with a Czech Republic flag and introduced themselves in English!

St. Patrick's Day

This month, we celebrated St. Patrick's Day! St. Patrick's Day is an Irish holiday that is celebrated in many countries around the world. St. Patrick is the patron saint of Ireland, and he brought Christianity to Ireland. Today, many people celebrate by wearing green clothes, eating and drinking green-colored food and drink, and by attending parades and listening to Irish music.

To celebrate, Teacher Brittany gave a St. Patrick's Day presentation to learn more about the holiday and some new vocabulary words! After, students used their new vocabulary from the presentation to complete a word search and answer some questions.

Easter

Easter is coming next week (Semana Santa) and students will enjoy a whole week off of school. Teacher Brittany did a Kahoot with the students which helped them learn Easter words like bunny, basket, and tradition.
